Public Meeting – Draft Integrated Fisheries Management Plan (IFMP)

June 28, 2010 (6:00 PM)

Midnight Sun Recreation Complex, Inuvik, NT

Attendance:

IFMP Writing Team: Amy Thompson (GRRB), Kris Maier (GRRB), Kevin Bill (DFO), Molly Kirk (Parks Canada), James Malone (FJMC)

IFMP Steering Committee: Amy Thompson (GRRB)

IFMP Steering Committee: Robert Charlie (GRRB)

1. Call to order

The meeting was called to order at approximately 6:00 PM. Only one person came to the meeting, Neil Firth, former coordinator of the Nihtat RRC. As Neil is already familiar with the IFMP process, the decision was made at 6:30 PM to cancel the meeting.

The meeting time and location was advertised for three weeks via radio and posters. There may have been some confusion about the location of the meeting, as it was changed a week prior to the event, but posters and radio ads were updated to include the changes.

It is probable that since there are not many users of Dolly Varden char who live in Inuvik, that this meeting was not a high priority to community members.
